<b>Exploration</b> (choose one approved)	<i>3.0 credits of any of the above courses (except: ENGL 1010, ENGL 2010 &amp; Math courses) with a course prefix not already used.</i>					

\*CE Biology, Chemistry and Physics on the High School campus embeds the lab into a year-long CE science course

\*\*Can only be used to fulfill the AI or SS GE requirement, not both.

\*\*\*Highly recommended to fill the Exploration requirement (but not necessary)

- AP Computer Science A gives CS 1400 credit for a score of 3-4 and both CS 1400 & CS 1410 credit for a score of 5.
- AP Music only gives required college credit toward music majors (otherwise general elective credit—fulfills no GEs)
- AP Studio Art only gives elective credit and does not meet any GE requirements.
